## HIGHWAYS AND STREETS

### Bituminous Pavements

Old Rubber Tires Make Better Streets .....	Mar. - 62
1971 Estimated Needs for Paving Asphalts .....	Apr. - 62
A Look at Open Mixes to Improve Skid Resistance .....	Jul. - 48
Wasted Solids (Solid Wastes) and Pavement Design .....	Nov. - 56

### Bridges, Culverts and Tunnels

What's Going On Down There? .....	Mar. - 68
Wood Bridges for Today and Tomorrow .....	Mar. - 84
To Re-Impose a Toll .....	Mar. - 108
Truckers Pile Up Troubles .....	Apr. - 124
Reaction to Highway Emergency is Swift and Effective .....	Apr. - 155
A Freeway for All the People, Including the Neighbors .....	May - 84
Underwater Inspection Teams .....	Jun. - 54
Rebar Tie Rods Double as Shear Connectors .....	Jun. - 77
Bridge With Steep Grades Has Heated Pavement .....	Jun. - 104
Weathering Steel Railroad Bridge .....	Jul. - 44
Culvert Material Resists Corrosion .....	Jul. - 90
Flat Two-Hinged Arch Bridges Are Versatile and Economical .....	Aug. - 68
Out of the Frying Pan .....	Sep. - 62
Bailey Bridges Still Useful .....	Oct. - 58
Long Bridge Has Full Shoulders .....	Oct. - 58
Bay State Considers Alternative Bridge Deck Repairs .....	Oct. - 68
Unique Railroad Bridge .....	Nov. - 47
A Practical Approach to Counteracting Corrosion of Bridge Structures .....	Nov. - 63

### Concrete Pavements

Polyethylene Joint Relief Filler Protects Against Blowups .....	Jan. - 56
Presealed Transverse Contraction Joints .....	Feb. - 86
Repairing Joints with Pre-Cast Slabs .....	May - 74
Research on Concrete Shoulders .....	Jun. - 52
PVC Joint Sealants—A Step Ahead .....	Nov. - 51

### Construction Methods

Road Overlay Cures Maintenance Woes .....	Feb. - 65
Burning the Midnight Oil .....	Feb. - 87
Pre-Splitting Technique Stabilizes Rock Cut .....	Mar. - 100
Oklahoma Requires Linseed Oil Curing Compound on Bridge Decks .....	Oct. - 74
Transportable Incinerator Aids Highway Contractors .....	Oct. - 114
Sheer Glass Fabric Helps Waterproof Overpass .....	Dec. - 78

### Design

Old Rubber Tires Make Better Streets .....	Mar. - 62
A Freeway for All the People, Including the Neighbors .....	May - 84
A Look at Open Mixes to Improve Skid Resistance .....	Jul. - 48
Steel Plate Acts As Waterproofing Membrane .....	Aug. - 96
A Practical Road Improvement Program .....	Sep. - 98
Wasted Solids (Solid Wastes) and Pavement Design .....	Nov. - 56

### Equipment

Better Service Requires Better Equipment .....	Feb. - 80
Quantitative Guides to Retain-or Replace Decisions .....	Mar. - 60
Grass Fires: A Threat to Highway Equipment .....	Apr. - 102
Economics Turn A Tide in Tampa .....	Jul. - 71
How to Select a Loader for Top Efficiency .....	Oct. - 77

## Esthetics and Beautification

Highway Department Attacks Pollution Problems .....	Jan. - 71
Planters and Benches Aid City Beautification .....	Jan. - 79
Two Cities Receive Awards for Litter Prevention .....	Mar. - 115
Birds, Bogs and Beauty .....	Apr. - 82
Coal to Newcastle, Synthetic Grass to Florida .....	Apr. - 90
A Practical Approach to City Reforestation .....	May - 72
Beautification as Well as Building is Highway Department Goal .....	Jun. - 66
Borrow Pit Reclamation and Beautification .....	Sep. - 88
Measuring the Quality of Maintenance .....	Sep. - 139
Utilities Go Underground in Jamesville .....	Oct. - 79
A BART Bonus, Mission Street's Miracle Mile .....	Oct. - 90

## Finance, Legal and Planning

Ontario to Ban Studded Tires .....	Jan. - 44
Impressions of a Present-Day de Tocqueville .....	Feb. - 72
Quantitative Guides to Retain-or Replace Decisions .....	Mar. - 60
Damage from Studded Tires .....	May - 76
Measuring the Quality of Maintenance .....	Jul. - 57
The Freeway Controversy—Cause or Consequence .....	Sep. - 90
A Practical Road Improvement Program .....	Sep. - 98
A BART Bonus, Mission Street's Miracle Mile .....	Oct. - 90
Pavement Markings Applied by Contract .....	Nov. - 54
What Should Be the Costs of Municipal Engineering? .....	Nov. - 72

## Materials

Polyethylene Joint Relief Filler Protects Against Blowups .....	Jan. - 56
Proposed Asphalt Plant Will Combat Pollution .....	Jan. - 84
Presealed Transverse Contraction Joints .....	Feb. - 86
Old Rubber Tires Make Better Streets .....	Mar. - 62
Asphalt Institute Drops Product Specifications .....	Apr. - 62
Sulfate Wastes May Make Highway Aggregates .....	Jul. - 46
A Look at Open Mixes to Improve Skid Resistance .....	Jul. - 48
Machine Salvages Damaged Guardrails .....	Jul. - 78
Army to Use Single-Step Pretreatment for Water .....	Sep. - 60
More Asphaltic Concrete Per Gallon of Asphalt .....	Sep. - 62
Importance of Crushed Stone in Asphaltic Mixtures .....	Sep. - 134
Oklahoma Requires Linseed Oil Curing Compound on Bridge Decks .....	Oct. - 74
Pennsylvania Adopts Silicone-Alkyd Paint Specifications .....	Oct. - 112
Large-Size Aggregates Favored .....	Nov. - 47
PVC Joint Sealants—A Step Ahead .....	Nov. - 51

## Maintenance Plans and Programs

Measurements for Maintenance .....	Feb. - 68
Research Aimed at Dust Pollution Control .....	Apr. - 84
Repairing Joints with Pre-Cast Slabs .....	May - 74
Why a Management System for County Road Maintenance? .....	Jun. - 76
Measuring the Quality of Maintenance .....	Jul. - 57

## Parking

Downtown Parking—Do You Really Have a Problem? .....	Mar. - 74
--	-----------

## Safety

Impact Attenuator Systems to Save Lives .....	Jan. - 60
---	-----------

Spray Protection Proposed .....	Feb. - 16
Signing and Barricading System Mandated in Illinois .....	Mar. - 106
Pavement Grooving Worthwhile, But Not a Panacea .....	Apr. - 76
Spot Improvement Pays Dividend .....	May - 54
Diamonds Dress Up the Safety Record .....	Jun. - 65
Survey of Optometrists Is "Eye-Opener" for Perils of Night Driving .....	Jul. - 63
Make Your Own Portable Signs and Barricades .....	Jul. - 64
Wisconsin Makes Highway Striping Safer .....	Aug. - 71
Barrier Systems and the New York Experience .....	Sep. - 84
Multi-County Highway Safety Council Gets Results .....	Dec. - 48
Traffic Safety Studies in Smaller Communities .....	Dec. - 51
Hydrocells—How Do They Perform? .....	Dec. - 66
Anti-Skid Surfacing Promises Greater Safety .....	Dec. - 74

## Snow and Ice Control

Environmental Pollution by De-Icing Salts .....	Jan. - 44
Brine Solution Removes Stubborn Ice .....	Jan. - 67
Graders and Rotary Plows Cope with Massive Snowfalls .....	Feb. - 96
Ion-Staffed Glass to Increase Traction .....	Mar. - 50
De-Icing With Salt: Some Pros and Cons .....	Mar. - 80
Bridge With Steep Grades Has Heated Pavement .....	Jun. - 104
Snow Plowing at 60 Miles Per Hour .....	Aug. - 56
Highway Chlorides—Menace or Manna? .....	Aug. - 64
Facing Snow Emergencies .....	Aug. - 79
Snow Removal Depends Upon People .....	Oct. - 80
Deicing Salts and the Environment .....	Dec. - 54
Improved Snow and Ice Control at Airports: The Continuing Research .....	Dec. - 57

## Stabilized Surface and Base

Research Aimed at Dust Pollution Control .....	Apr. - 84
County Provides Dust Control Service to Subscribers .....	Apr. - 84

## Street and Area Lighting

Innovative Lighting for Residential Streets .....	Jan. - 62
Urban Interchange Features Road-Level Lighting .....	Feb. - 74
Light Pollution: A Unique Problem .....	Apr. - 60
Detroit Increases Downtown Lighting .....	Apr. - 124
Decorative Luminaire Meets Downtown Requirements .....	Apr. - 126
High Level Lighting at Nebraska Interchange .....	May - 54
Street Light Relamping Cost and How to Figure It .....	May - 88
Lighting Combines Function and Lots of Lamps, But Only a Few Poles .....	May - 100
The Park at Night .....	Jul. - 84
	Oct. - 94

## Surface Maintenance

Road Overlay Cures Maintenance Woes .....	Feb. - 65
Measurements for Maintenance .....	Feb. - 68
Burning the Midnight Oil .....	Feb. - 87
Seal Coating in Minnesota .....	Mar. - 50
Bay State Considers Alternative Bridge Deck Repairs .....	Oct. - 68

## Traffic Engineering

Problem Areas in Traffic .....	Feb. - 78
Signing and Barricading System Mandated in Illinois .....	Mar. - 106
Public Works Features of Cincinnati's Riverfront Stadium .....	May - 81
A Digital Computer Traffic Control System .....	Jul. - 74

## Treatment Methods and Research

Removal of Wastewater Nutrients in a Compact Plant .....	Jan.-72
New Approach to Phosphate Removal: Filtration Through Magnesia .....	Feb.-58
Aeration May Retard Eutrophication ...	Apr.-60
Virus and Bacteria Removal in Advanced Wastewater Treatment .....	Jun.-84
Separator Removes Oils from Storm-water .....	Jul.-92
Sewage Treatment with Granular Carbon .....	Aug.-48
Water Pollution Control—Let's Do It Right .....	Aug.-74
Trials, Tribulations, and Now Triumph... ..	Aug.-90
Sewage Sludge Burned Without Smoke or Odor .....	Oct.-72
Detention Time and Aerobic Sludge Digestion .....	Nov.-69
Organic Loading Response of the Extended Aeration Process .....	Dec.-63

## Instrumentation

EKG for Lake Tahoe .....	Mar.-50
Water Source Monitored .....	Jun.-54
Airborne Scanner Traces Thermal Pollution .....	Aug.-58

## WATER SUPPLY AND PURIFICATION

### Finance, Legal and Planning

Meter Reading on the Run .....	Jan.-94
Computer Detects Water Quality Trends .....	Feb.-56
Historic Town Goes Modern .....	Feb.-66
Water System Improvements .....	Feb.-113
Water and Wastewater Management in New York City .....	Mar.-58
Pilot Program Tests Meter Reading by Customers .....	Mar.-90
Salem-Beverly's Plan for a Second Century of Water Service .....	Apr.-66
Computerizing a Regional Water System... ..	May.-69
El Paso's Seasonal Second Water Source... ..	Jun.-88
How Brockton Solved Its Water Supply Problem .....	Jul.-60
Erie Acts to Improve Its Water Supply... ..	Aug.-66
Federal Assistance Spurs Water Supply Improvement .....	Aug.-85
Pioneering a State Water Quality Information Service .....	Oct.-88
Four-Point Program Will Improve Water Service .....	Dec.-68
Updating Substandard Water and Sewer Systems .....	Dec.-73
Five-Year Capital Improvement Program for Chicago Water System .....	Dec.-91

## Water Pumping

Appropriate Packing Reduces Pump Maintenance .....	Jun.-68
Small City System Draws From Enormous Water Supply .....	Jul.-72
Attractive Water Booster Station .....	Jul.-100
Gas Engines Turn Pumps in Garden Grove .....	Aug.-84

## Reservoirs and Tanks

Mile-Square Reservoir Augments Water Supply .....	Apr.-130
Reservoir Aeration Improves Water Quality .....	May.-86
Reservoir Destratification Improves Water Quality .....	Jun.-60
Contemporary Water Tanks—Esthetics With Function .....	Jul.-52
Passive Park Shelters Concealed Reservoir .....	Nov.-84

Ultra-Modern Softening Plant Serves Space-Age Community .....	Jun.-82
How Brockton Solved Its Water Supply Problem .....	Jul.-60
Federal Assistance Spurs Water Supply Improvement .....	Aug.-85
Treatment Plant Designed for a Difficult Water Source .....	Sep.-75
Unique Swimming Pool Makes Waves ...	Oct.-92
City Will Desalt Brackish Water .....	Dec.-82

## Instrumentation

Water System Load Control Center is Updated .....	Feb.-84
Telemetering Increases Dependability of Desert Area Water Supply .....	Apr.-92
Pioneering a State Water Quality Information System .....	Oct.-88

## Treatment Methods and Research

Municipal Water System to Use Reverse Osmosis .....	Feb.-108
Treatment for Optimum Taste and Odor Control .....	May.-60
Reservoir Aeration Improves Water Quality .....	May.-86
Reverse Osmosis System Designed for Long Life and High Performance .....	May.-126
Reservoir Destratification Improves Water Quality .....	Jun.-60
Water Defluoridation at Britton: End of an Era .....	Jun.-70
Ultra-Modern Softening Plant Serves Space-Age Community .....	Jun.-82
Plant Treats High Sulfate Waters .....	Jun.-94

## Water Supply and Sources

Computer Detects Water Quality Trends .....	Feb.-56
Water and Wastewater Management in New York City .....	Mar.-58
The Water Content of Snow .....	Mar.-76
Salem-Beverly's Plan for a Second Century of Water Service .....	Apr.-66
Telemetering Increases Dependability of Desert Area Water Supply .....	Apr.-92
Water Intake on Floats .....	Apr.-112
Saline Ground Water Has Potential .....	May.-116
El Paso's Seasonal Second Water Source .....	Jun.-88
Small City System Draws from Enormous Water Supply .....	Jul.-72
Erie Acts to Improve Its Water Supply .....	Aug.-66
A Quality Control Study for a New Watershed .....	Nov.-61

## ADMINISTRATION AND PLANNING

Ontario to Ban Studded Tires .....	Jan.-44
Small City Record Keeping Goes Big Time .....	Jan.-54
Better Service Requires Better Equipment .....	Feb.-80
Quantitative Guides to Retain-or-Replace Decisions .....	Mar.-60
Operation EXIST Experiment in Saving Tomorrow .....	Mar.-72
